

HONEYWELL SUMMER ARTS CAMPS

A Honeywell Arts & Entertainment Offering

2023 Financial Assistance

Dear Prospective Families and Students,

The Honeywell Foundation continually strives to create a community where everyone may be directly involved in the arts. It is our hope, that together, we may make it possible for numerous young students to advance their skills in the arts.

Please review the following pages as they highlight the process for requesting financial assistance. They provide detailed information on what must be submitted, and describes the review process. Please know that all questions must be answered and all requested support documents must be submitted in order for the application to be processed.

Registration in the Summer Arts Camps program is not guaranteed until all information is reviewed and arrangements are made for the payment of program fees.

Deadline for submission of application and all supporting documentation is **April 28th, 2023**. Financial assistance funds are limited so any applications submitted after the deadline may be considered for a lesser award.

Feel free to call upon me with any questions or concerns you may have during the process of completing the application.

Sincerely,

Carolyn Stoner
Director of Arts
